**FIELD OPERATIONS MANUAL**

**DISCLAIMER**

The Field Operations Manual (FOM) is an operations manual that provides the Division of Labor and Employment Law investigators and staff with interpretations of statutory provisions, procedures for conducting investigations, and general administrative guidance. The FOM was developed by the Labor and Employment Law Division under the general authority to administer laws that the agency is charged with enforcing. The FOM reflects policies established through changes in legislation, regulations, court decisions, and the decisions and opinions of the Virginia Department of Labor and Industry. Further, the FOM is not used as a device for establishing interpretative policy.

The Virginia Department of Labor and Industry (DOLI) is providing the information in this manual as a public service. This information and other related materials are presented to provide public access to information regarding DOLI programs. It is important to note that there will often be a delay between the official publication of the materials and the modification of these pages. Therefore, no express or implied guarantees are indicated. The Virginia Regulatory Town Hall remains the official resource for regulatory information published by the DOLI. Every effort will be made to address all errors brought to the attention of the Labor and Employment Law Division staff.

This document is part of the latest version of the Virginia Department of Labor and Industry Division of Labor and Employment Law's Field Operations Manual. This document supersedes any and all previous editions.
